CANCELLATION AND REFUND POLICY

If a student cancels their enrollment at any time and for any reason prior to the first day of class, a full refund of fees will be returned to the student. If a student should drop out of a class for any reason once class has commenced, a full refund of fees for all uncompleted clock hours will be returned to the student. Uncompleted clock hours will be computed based on \$37 per clock hour for each 10 hour classroom course which totals \$370. There will not be any penalty charged to the student for non-completion of any class.

I have received the above cancellation and refund policy.
